Wise customers read the fine print! Customer Choice Financing for 36, 48 and 60 month terms on approved credit through TD Financing Services to qualified retail customers on most new 2010 and 2011 Chrysler, Jeep, Dodge and Ram models. Vehicles are financed over a 36, 48 or 60 month term with payments amortized over a term of up to 96 months and the pre-determined residual balance payable at the end of the contract. At contract's end, customers have the choice of returning their vehicle to a Chrysler, Jeep, Dodge, Ram dealership with no further obligations (except payment of a \$199 return fee and excess wear and tear, mileage and similar charges), financing the remaining balance for the rest of the amortization period at then-current standard rates or paying the residual balance in full. Some conditions apply. Example: 2010 Dodge Journey with a Purchase Price of \$19,995 financed at 4.49 % APR over 48 months with payments amortized over 61 months equals 104 bi-weekly payments of \$159 + H.S.T. and one final payment of \$6,264 + H.S.T. for a cost of borrowing of \$2,771.61 and a total obligation of \$25753.82. Taxes, license, insurance, registration, fuel fill, excess mileage and wear and tear charges extra. Vehicles may not be exactly as shown. Vehicles are in-stock at time of publication. Prices are valid on specified in-stock vehicles on the date of publication only.
