

# Ridge will move to Tier 1 next year

Continued from page 26  
petition it faced during the regular season.  
"Psychologically, we've been just waiting for (the final)," he said. "There are too many games in Tier 2 that are blowouts. Next year, we're moving up to Tier 1. We need to have better competition."

Ridge also didn't have an answer inside for Celestini or her front-court teammate, Jasmine Zanussi, who scored nine points.

"Kayla has been great for us the last two years. We run a lot of plays for her, but she's also very athletic and can create," said Aquinas coach Joe Polizzi. "Jasmine has been a leader for us as well. She's probably improved the most of any girl on the team."

Alyssa Booth and Diana Szustak scored seven points for the Trailblazers, who were appearing in their second straight junior Tier 2 final. Ridge lost last year's championship game to Georgetown's Christ the King Jaguars.

# Atom Rangers win Kitchener tourney
