OSC girls' U13 B squad wins Whitby tourney

The Oakville Soccer Club's girls' under-13 B team won the championship at the recent Whitby Iroquois Tournament.

Oakville allowed only one goal during the tournament, coming in a 1-1 draw with the Scarborough Blizzard in round-robin play. Oakville met Scarborough once again in the championship game and prevailed 3-2 in penalty kicks after the teams finished regulation and overtime in a scoreless deadlock.

Earlier in the tournament, Oakville defeated Whitby B and Oakville C by 1-0 scores and

blanked Whitby C 2-0.

Members of the Oakville girls' under-13 B squad are Karina Madill, Mabel Dunn, Hannah Ritchie, Lauren Georgopoulos, Megan Harrison, Carter Merrigan, Lexi Noden, Julianna Martino, Kathryn Manarin, Sarita Macaldaz, Juhl Henriksen, Kaitlyn Perichak, Claire Hatzioannou, Vittoria Rago, Sydney Wade, Chantal Pande, Jessica Twerdun and Samantha Verdurmen.

Phil Martino, Mark Twerdun and George Georgopoulos coach the team.

MOHA will offer body checking to non-rep players

Apparently Oakville hockey players and parents want body checking in house league after all.

Nearly two-thirds of respondents to a recent Minor Oaks Hockey Association survey supported the creation of a new select division that will allow body checking. The select division will replace the MOHA's red house league divisions that allowed body checking in the past.

The creation of the select division is in response to the controversial Ontario Hockey Federation ruling earlier this year that removed body checking from nearly all house league hockey in the province. The

select division — which is exempt from the OHF policy — will also be offered in nearby associations such as Brampton, Caledon, Milton, Orangeville, Georgetown and Guelph.

Sixty-four percent of respondents to the survey favoured the creation of the select division. The survey, which was sent to all house league players and parents in minor peewee (born 2000)

through to midget (born 1995) currently registered in house league for the 2011-12 season, had a 66 per cent response rate. Results represented one vote per identified player.
