FOR EASTER SEALS SAIL: Kyle La France, left, waits for the start of the seventh annual Oakville Regatta for Easter Seals Kids at Oakville Power Boat Club on July 9. At right, Jason Baldwin carries his daughter Jadine into a boat with help of an Oakville firefighter. The annual event began with a breakfast, followed by a Skippers' Meeting at the Oakville Power Boat Club. The cruise with the Easter Seals youths and their families began at 11. There was a stop at Coronation Park on the course that took place between Oakville and Bronte harbours. There were refreshments, a silent auction, a visit by Bronte Pirates — all followed by an awards ceremony held at the Oakville Yacht Squadron.
