In Memory of **David Sullivan Smyth**

hold it close to your heart

What I do believe ... if this is how God and David worked his life out ... well, we got the chance to say what we had in our hearts to him ... he got the chance to do this also with loving family and friends ... he was able to say his wishes for his parents and Will and for the many others with bone related cancers ... he was able to know that Trent, his University, was proud of him in so many ways, and wanted to and did honor his achievements ... he got to feel the love of everyone in his life ... he got the chance to relive nutcracker family time ... he got the chance to succeed in university ... he got the chance to know that he could live independently ... he got the chance to know that his politics mattered to others ... he got the chance to be heard, and we got the chance to embrace him wholly... he got that chance to inspire others across Canada ... maybe in the world.

He knew his life mattered!!! We know that too! He got the chance to hear "You are beautiful just the way you are."

David, it has been a year since you left us. We all miss your optimism, your smile, your gentle, kind, caring and honest presence.

...Love Auntie Kate, Uncle Brian, Auntie MJ, Uncle Mike, Sue, Vince, Kathy, Greg, Gary, Jo-Anne, Steve, Deb and extended families
