CLUB MED PHUKET

After extensive renovations, Club Med Phuket, located on the beach of Kata Bay in Thailand, has reopened. The renovation was themed "Magic of Lights", derived from Thailand's annual Yi Peng Festival where locals make lanterns out of thin fabric and attach a candle creating thousands of lanterns floating through the sky at once. The transformation included the lobby, main restaurant, bar, lounge and Club Med Spa by Payot, in addition to many other unique features. The all-inclusive resort offers several levels of accommodations, including suites, deluxe rooms and superior rooms inspired by Thai customs with hues of red and gold. Room categories can accommodate families and couples comfortably. The resort has three pools, a new Zen infinity pool exclusively for adults, as well as one just for kids. Gourmet dining prepared by international chefs featuring local specialties and a full open bar with premium alcoholic and non-alcoholic beverages are available throughout the day. Phuket is the ideal family resort offering supervision and activities for children from four months to 17 years of age, with Baby Club Med, Petit Club Med, Mini Club Med and Club Med Passworld, an exclusive place for teens to hang out. www.clubmed.us
