NEW ELECTRIC Right. Now. That's New.

Vice-President, Sales and Marketing
The Opportunity

Reporting to the CEO, the successful candidate will have the opportunity to join an aggressive, rapidly expanding electrical services company seeking to take advantage of unique opportunities in our markets.

- Responsibilities will include:**
- Hiring and managing the sales and marketing teams and their respective budgets
 - Developing effective sales strategies and tactics
 - Developing an effective marketing strategy to increase leads
 - Establishing realistic and reliable sales forecasting processes
 - Directing internal resources to enhance New Electric's brand
 - Developing competitive intelligence regarding product offerings and pricing
 - Providing recommendations for new products, services and new geographies
 - Identifying and developing successful relationships with business partners
 - Collaborating with other members of the senior team to identify issues and address obstacles to our success

The Person

- The successful candidate will:**
- Think strategically
 - Act decisively
 - Communicate clearly and completely, both orally and in written form
 - Have an impressive record of selling/marketing to sophisticated industrial multinational accounts
 - Have experience both in direct selling and sales management. A minimum of 5 years of sales management experience is a plus
 - Have well developed "boardroom skills" able to present to and negotiate with client executive
 - Be driven to succeed
 - Understand the difference between making sales and building a great company
 - Have a deep understanding of the manufacturing environment and the challenges manufacturers face regarding equipment reliability

The Company

Headquartered in Oakville, Ontario and with operations throughout Southern Ontario, Michigan and North Carolina, New Electric possesses an unequalled reputation for service excellence. Our technical competence and our commitment to reducing the frequency and length of unscheduled downtime makes New Electric a leader in our markets and the choice of North America's largest and most admired industrial operations. Our model offers the responsiveness and nimbleness of an owner-managed small business with the expertise, professionalism and financial clout of a multinational organization.
