# Rotary Education Awards

The three Rotary Clubs in Oakville (Rotary Club of Oakville, Rotary Club of Oakville Trafalgar and the Rotary Club of Oakville West) annually award graduating high school students a number of Bursaries and Scholarships, approximately \$50,000 in total. With the increasing costs of university and college programs, and the short time

graduating students have to earn money for their post-secondary education, Rotary is delighted to be able to assist these Oakville students.

The Rotary Education Awards are granted on the basis of need, academic performance as well as extra-curricular and community involvement.

This year, 39 students, representing all Oakville secondary schools in the public and Catholic school boards, will benefit from this annual youth program of Rotary. These 2013 graduates will be formally recognized at the Rotary Education Awards Dinner May 30, 2013 at Otello's Banquet Hall.

## The Rotary Foundation

The Rotary Foundation is a not-for-profit corporation supported solely by voluntary contributions from Rotarians and friends of the Foundation who share its vision of a better world.

The mission of The Rotary Foundation (RF) is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

Funds raised through the RF have enabled major initiatives by Rotarians to make a difference in the world. For more than 25 years, Rotary has been a leader in the global effort to eradicate polio. Peace Centers provide Fellowship recipients with opportunities to prepare for a leadership role in peace and conflict resolution. Foundation grants support Rotary Clubs around the world to assist them in their humanitarian, vocational, and educational activities.
