We believe everyone over the age of 60 should get a FREE baseline hearing test. You can join us by simply booking YOUR test today and encouraging your friends to join you. It only takes 60 minutes and there are more than 175 participating locations across Canada!

In addition, we're donating \$2.00 for every test we perform in order to provide hearing aids for those who can't afford them. Our goal is to raise over \$100,000 for hearing aids this year – So book your test, bring your friends, and together, we can make a difference!
