

10th Annual Rigatoni for Research Dinner

Thanks A Toast to Ten!

to the outstanding support of the following individuals and companies, Rigatoni for Research has reached an incredible milestone. To date, we have cumulatively donated over "ONE AND A HALF MILLION" dollars to the 'Arthur and Sonia Labatt Brain Tumour Research Centre,' located at The Toronto Hospital for Sick Children. Because of your kindness and generosity, you have turned our dream into a reality. Because of YOU, children will have the precious gift of ... tomorrow.
