

DAVID RITCHIE / SPECIAL TO THE BEAVER

FATAL CRASH: Michael Lamothe, of Oakville, was killed in this single-car collision on Speers Road early Sunday morning. The driver of the car has been charged with impaired driving causing death.

Driver charged in fatal car crash

A male passenger is dead after the car he was riding in slammed into a hydro pole in Oakville early Sunday morning, just minutes from his home.

Michael Lamothe, 44, of Speers Road, died on the scene of the single-car collision on Speers Road, east Bronte, around 2 a.m. Sunday, said Halton Regional Police Staff Sgt. Chris Collins.

Excessive speed and alcohol were factors in

the crash, police allege. Preliminary investigation by the police suggests the 1995 Chevrolet Lumina was heading westbound on Speers Road when it crossed over to the eastbound lanes, flying off the road and into a hydro pole.

The driver, Lubomir Mikan, 39, of Page Crescent in Burlington, faces numerous charges including impaired driving causing death and refusing to take a breathalyser test.
