

Meet the Sales Team!

THE SALES STAFF AT A STATE-OF-THE-ART FACILITY

must offer that same level of service to their customers. In such a competitive industry, finding a team of sales professionals who offer that something special and are willing to go that extra mile is no easy task.

At Oakville Dodge Chrysler Jeep, the team has been selected to offer just that. Since the move, the company has re-developed the sales staff through training and has recruited some experienced, fresh talented staff to help with the growing business and ever changing community

and marketplace. "Our goal is to make your next vehicle purchase a fun and exciting process," explains Patrick Maguire, General Sales Manager

With five motivated and experienced sales professionals, Oakville Chrysler Dodge Jeep prides themselves on their level of service. "You will always be greeted by a member of our staff who is eager to assist you with the purchase of your next vehicle," explains Patrick. "Our experience and enthusiasm will definitely make your experience with us a memorable one."
