www.vicwest.com

VICWEST is a leading Canadian supplier of roofing, cladding, and associated products. We have the following opportunity at our OAKVILLE branch...

National Lean Manager

In conjunction with every level of our organization, you will take responsibility for developing, implementing, and monitoring the fulfillment of corporate goals in the area of lean manufacturing. To accomplish these objectives, you will provide training and mentoring, instigate change, establish and support benchmarks, and provide leadership to QA systems and audits. Your ability to optimize Five S, Six Sigma, Kaizen, and root-cause analysis is supported by a background in manufacturing or industrial engineering, three years' Lean manufacturing success, and ideally Lean black belt, Level 3 certification. Your dynamic problem-solving, decision-making, and data collection and analysis abilities are complemented by superior communication, training, leadership, and project management skills and a dedication to delivering value and cost savings.

We offer competitive wages and benefits. If you are interested in a challenging and rewarding career, please forward your resume to:
