THE PERMANENT MAKE-UP

"Beauty that is Skin Deep"™

Celebrating 37 years in Business

The process of undergoing a permanent make-up procedure is a simple, affordable and painless one. Working closely with highly-respected individuals in the medical industry, Gabriella specializes in helping people who suffer from skin or medical conditions with her permanent cosmetics. "We can camouflage scars, vitiligo, alopecia areata and areola reconstruction for women who have suffered from breast cancer," says Gabriella. "It gives me so much joy to be able to help someone. Making them feel great about themselves is why I do this." Raving reviews of Gabriella's are not uncommon. The positive and ecstatic testimonials she receives from her clients are outstanding. And with referrals coming from many trusted individuals among the medical industry, Gabriella is highly respected in the community and the medical world.

QUEEN'S MEDICAL CENTRE

Dr. A. Bebawy

With her practice comprised of mostly women, Dr. Amany Bebawy who has been practicing in Oakville for nearly five years at a family practice/walk-in clinic knows all too well how important it is for women to receive the proper medical care. "Women's health is a daily topic in my practice. I can't stress enough how important it is for women to get regular screenings and a routine annual checkup with their family doctor." The medical centre, located in north Oakville has three physicians including herself and is complete with a pharmacy as well as a lab for blood work and ECG.

Oakville Hospital Foundation

This International Women's Day, the Oakville Hospital Foundation is pleased to celebrate the many strong women - physicians, nurses, staff, volunteers, and donors - who make Oakville-Trafalgar Memorial Hospital great. Your contributions are truly inspirational and ensure we all have access to high quality healthcare services, close to home.

Thank you - for the health of our community

OAKVILLE PLACE DENTAL

Marisa D'Angelo

Dr. Marisa D'Angelo has been practicing dentistry for the past eight years. All these years were spent providing care to adults and children at Oakville Place Dental. She recently got married and enjoys a variety of extra curricular activities. She believes a good balance between her personal and professional life keeps her mentally and physically motivated and energized. Dr. D'Angelo is dedicated to providing dental treatment in a compassionate and caring environment. She believes that a healthy smile is an important component to a healthy lifestyle. Not only are there great medical benefits to a healthy mouth, but it also contributes to a strong self-image and improved confidence. This philosophy starts with excellent oral care, and is very important to encourage and instill in our children, so they mature with a positive sense of self and a lifelong care and respect for their bodies.

improved confidence. This philosophy starts with excellent oral care, and is very important to encourage and instill in our children, so they mature with a positive sense of self and a lifelong care and respect for their bodies.

DR. NANCY DE KLEER

As a Plastic Surgeon, Dr. Nancy de Kleer's approach is to treat her patients as individuals, evaluating and addressing unique concerns. As a female surgeon, Dr. de Kleer has a distinctive perspective of women's concerns and goals as they relate to their appearance. Dr. de Kleer is certified by the Royal College of Physicians and Surgeons of Canada and is a member of the Ontario Society of Plastic Surgeons and the Canadian Society of Plastic Surgeons. Her areas of surgical interest and expertise include breast surgery, facial plastic surgery and body contouring surgery. Oakville Plastic Surgery also offers a wide range of non-surgical options like Velashape, Fotofacials, chemical peels, laser wrinkle reduction, skin tightening and other non-invasive procedures.
