Strive Higher For the Energy in You

Union Gas Limited is a major Canadian natural gas utility that provides energy delivery and related services to about 1.3 million residential, commercial and industrial customers in over 400 communities in northern, southwestern and eastern Ontario. The company also provides natural gas storage and transportation services for other utilities and energy market participants in Ontario, Quebec and the United States. Union Gas is a Spectra Energy company.

Technical, electrical, mechanical, construction or gas service background?

Interested in a Natural Gas Technician role and a career with a solid future?

Utility Services Representatives (USRs)

Various locations across Ontario

Safely performing pipeline repairs, appliance inspections and meter work, as well as responding to natural gas emergencies, are all part of the mix in this interesting outside field-work role.

Your success as a USR can lead to career opportunities as a skilled Technician, a Utility Services Manager or other leadership role. Competitive compensation and full benefits complete the picture.

To explore your career with an industry leader and to apply by April 5, 2010, please visit www.uniongas.com/careers
